

# Partnership Announcement

Calgary Construction Association

The Calgary Construction Association is excited to announce our new partnership with Summit Fleet and the Kaizen Automotive Group. This partnership allows us to continue offering advantages to our membership group otherwise not available.

## Summit Fleet

... is a Calgary-based full service Fleet Management Company. Summit's goal is to save our client's time by managing the day to day aspects of running their fleets, while reducing the overall costs. We assist commercial fleets with short and long term rentals, vehicle acquisition, financing, vehicle remarketing, operating cost management, and employee lease programs.

### CCA Members Receive:

#### Rentals

- 15% off corporate rental pricing

#### Leasing

- Vehicle acquisition - cost to a maximum of 3% over invoice
- Fleet concessions through major vehicle manufacturers
- Tier 1 commercial lease rates (based on approved credit)

#### CCA Member Employees

- Preferred employee purchase programs available

Contact **Tyler Doell** to book a fleet consultation for vehicle purchase, rental, and leasing options

## The Kaizen Automotive Group

... is a Calgary-based leader in the automotive industry, providing complete automotive solutions. Kaizen's services include a near countless selection of new and used inventory for all makes and models, service and body shop programs focused on commercial fleets, customized parts programs, and a local fleet management company.

### CCA Members Receive:

#### Sales

- Cost to a maximum of 3% over invoice

#### Service

- 30% off posted labour rate on maintenance excluding menu priced items

#### Body Shop

- 15% off posted labour rates

#### Parts

- Preferred wholesale pricing.

#### CCA Member Employees

- Preferred employee purchase programs available

Contact **Michael Koch** to set up your CCA service, parts and body shop accounts
