

Partnership Announcement

CALGARY, ALBERTA, CANADA

The Calgary Construction Association is excited to announce our partnership with Michener Allen Auction Ltd. This partnership includes offers to our members that would otherwise not be available.

Michener Allen Auctioneering Ltd.

Michener Allen Auctioneering is a family owned and operated auction and has been in the public automotive and industrial auction business since 1971. With two 50 acre facilities in both Edmonton and Calgary plus a satellite location in Winnipeg we are the largest privately owned public auto auction in Canada.

CCA Members Receive

Preferred customer benefits

Reduced commission costs from standard commissions \ 20 % reduction for the CCA association Members

Additional commission reduction based on volume of items and consistent use of our auction services

Personal service one on one onsite

Preferred booking dates and times

Transportation of product costs reduced

On site costs for vehicle repairs necessary are reduced

No hassle on buyer remorse after sale

Internet buyers across Canada and USA online

Depending on size and tonnage of item we can internet the items at your site / buyer to make arrangement to deliver

On site auctioneering is available should sufficient volume warrant

Contact Gord Wihelm at 403-333-0101 for more information.
