CCA MEMBER WOMEN IN CONSTRUCTION SCHOLARSHIP

Three Scholarships for \$2,000 per academic year may be awarded to support and encourage women entering the construction industry. A recipient is limited to one Scholarship Award through the CCA Scholarship programs. Criteria are outlined below:

All female applicants must be pursuing advanced education in a construction related field to be eligible.

Female applicants must meet the requirements with which a post-secondary institution bases its decision to accept or reject an entrance application for studies at a recognized university, community college or technical institute. Students who are entering into a program at a recognized post-secondary institution as of September 2023 are eligible to apply. The winner must be actively pursuing the program upon award and provide institutional confirmation when requested.

Applications will also be accepted from individuals pursuing trade or technical post-secondary education from a recognized educational institution.

Who may apply?

- a) Children (who are under the age of 25 at time of application) and spouses of employees, managers or owners of Calgary Construction Association Member firms **OR**
- b) Part-time employees (minimum 15 hours per week) of CCA member firms are eligible to apply providing they have been employed by the member firm for more than six months and are working at the time the scholarship is awarded in Spring **2024, OR**
- c) Full-time employees of member firms are eligible to apply providing they are on temporary leave of absence from the member firm to pursue educational initiatives such as starting their post-secondary education or training on a full-time basis or remain employed with the member firm in the case of part-time training or upgrading.

The decision of the WIC Committee/CCA Education Fund Committee is final and not open to appeal. The WIC Committee/CCA Education Fund reserves the right to withhold the scholarship in the event that no qualified applications are received in this academic year. The Scholarship Award Program may be altered, amended or discontinued at the discretion of the WIC Committee/ CCA Education Fund Trustees.

APPLICATION DEADLINE: March 15th, 2024.

Once complete, application forms and any supporting documents can be emailed to Lena Hogarth at lenahogarth@cgyca.com

PLEASE NOTE: INCOMPLETE APPLICATIONS WILL NOT BE CONSIDERED
