CCA Education Fund Trustee Application Form

The CCA Education Fund was incorporated in 1998. CCA proudly supports the future of the construction industry by administering over 70 annual scholarship programs. As part of the CCA's dedication to the future of the construction industry, our Education Fund distributes over \$80,000 in scholarships and bursaries yearly.

There are openings on the trustee board and we are seeking applications from employees of CCA member companies who wish to participate in this initiative.

We are thrilled to see your interest in contributing to the educational landscape of the construction industry through the Calgary Construction Association (CCA) Education Fund Committee. As a potential trustee, your involvement is crucial to uphold the educational standards and drive the progress that solidifies the foundation of our industry.

The CCA's mission is deeply rooted in the belief that education is a cornerstone for success. Our trustees play a pivotal role in this mission, using their unique insights and expertise to oversee and govern the Association's endeavors. Your participation would involve steering the direction of the CCA's education initiatives, influencing the development of current and future programs, and providing essential feedback on advocacy issues that impact our sector.

As a trustee, you would be joining a dedicated team that collaborates to ensure that our educational fund continues to empower the industry's professionals and maintain the high standards of construction education in Calgary.

Please invest the time to complete this application form thoroughly. The insights you provide will help us understand your motivations, skills, and experiences that could contribute to the growth and excellence of our educational programs.

Together, we can build a robust educational framework that not only reflects the current state of the construction industry but also anticipates and prepares for its future needs.

We look forward to your detailed application and thank you once again for stepping forward.

Please return your completed application to Lena Hogarth at lenahogart@cgyca.com by May 31st 2024.
